Our experienced, industry leading instructors and friendly staff offer comprehensive, hands-on curriculums taught exclusively in a small class-size environment. In Denver the classroom is equipped for up to 20 Students, which offers a work-station for learning purposes, for each student.

Our Makeup Workshop, which is 22 hours, allows students to focus on the art and techniques of makeup artistry to become the most successful artists they can.

Upon completion of the Makeup Workshop, students receive a Certificate and participate in a professional photo shoot to begin their professional portfolios.
